

PV-142S 25mm/20m, white - Fire hydrant for renovation

PV-142S 25mm/20m, white - Fire hydrant for renovation

Designed for old buildings where the openings made for old fire hydrant cabinets are used. The cabinet part is 140 mm deep and covers the opening. The cabinet has no back wall, and the reel sinks 100 mm into the old opening. The depth of the cabinet and the size of the reel can be changed if necessary, ask for a quote.
