PV-60TR Reel 550/400 w/o hose assembly - Heavy duty hose reel

PV-60TR is a stainless steel hose reel that provides excellent durability and corrosion resistance in demanding industrial environments. Designed for washing and irrigation applications, as well as enhancing fire safety in maintenance operations, especially in factories, mines, and ports. PV-60 TR includes a 1 shut-off valve and a rewinding crank with a 1" inner thread for a feed pipe.
