

PV-SK Dry riser inlet cabinet, red -

PV-SK Dry riser inlet cabinet, red -

Inlet cabinets are made of 1.25 mm steel sheeting. All cabinets have a welded structural back wall. The doors turn down 180 degrees. Inlet cabinets are equipped with 2x DN 80 fittings and a DN80 Victaulic fitting for the dry riser. Inlet cabinets are also available equipped with one valve and the fittings to the dry riser are available also from above or behind the cabinet. Cabinets are red as standard, but are also available in other colours
