

PV-KK Dry riser outlet cabinet, red -

PV-KK Dry riser outlet cabinet, red -

Outlet cabinets are made of 1.25 mm steel sheeting. All cabinets have a welded structural back wall. The doors turn down 180 degrees. Outlet cabinets are equipped with 2x DN 50 fittings and a DN50 Victaulic fitting for the dry riser. Outlet cabinets are also available equipped with one valve and the fittings to the dry riser are available also from above or behind the cabinet. Cabinets are red as standard, but are also available in other colours
